Universal side table

se:tea - UNIVERSAL SIDE TABLE

Simple elegance

Streamlined appearance, elegant presentation, timeless design – here is the black, universal side table se:tea. Due to its lean dimensions and a design in three different heights, it perfectly suits every working and resting area, either used on its own or in a set. Robust and stable, se:tea offers space to accommodate a laptop, mobile phone etc.

Flexible

se:tea is the perfect addition to lounge areas, central zones or work cafés – as a decorative side table solution, it is both an eye-catcher and a modest place for a cup, laptop or mobile phone.

Whether used on its own or in combination with other products – se:tea is always the right choice

Streamlined

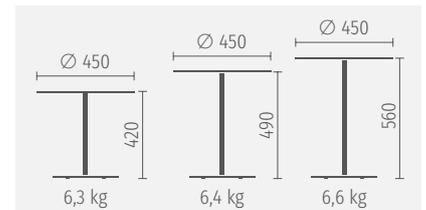

With its reduced design language and a tabletop thickness of only 2 mm, the table is exceptionally light. Due to the timeless black design, se:tea has a sophisticated look and can be beautifully combined with other furniture.

Design in timeless black

Light

Due to the minimal use of materials, the low total weight and felt glides, it is possible to change the position of se:tea quickly and easily.

Three different heights and low weight
